Investment Strategy

SBI Magnum Equity ESG Fund shall follow a combination of the following strategies and processes for stock selection:

a) Exclusion/Negative Screening based on adverse impact: The Fund excludes sectors with a negative social connotation like habit forming substances/practices like alcohol, tobacco, gambling and adult entertainment. The fund also excludes controversial weapons that especially include weapons of mass destruction.

It will cover the following:

- i. Characteristic: Social adverse impact
- ii. Threshold/Conditions for exclusion: The fund shall not invest in companies in the above-mentioned sectors if they derive 5% or more consolidated revenue from such sectors
- iii. Reference: Ethical or Socially Responsible investors across the world tend to exclude sin stocks, as the companies involved are thought to be making money from exploiting human weaknesses and vices. These exclusions may arise from faith-based preferences, or an organisation's own interpretation of ethics or sustainability. The scheme shall use a blended approach and excludes sectors such as alcohol, tobacco, gambling, adult entertainment, and controversial weapons.
- b) Integration:

ESG integration is an integral part of the stock selection process for the scheme. The following process is followed for stock selection:

- Sector Exclusions: Alcohol, Gambling, Tobacco, Adult Entertainment, Controversial Weapons.
- Additional Exclusions:
- o Lowest rated companies on third party ESG data provider's framework.

0

- Fundamental Financial Analysis of companies by sector specialist analysts
- ESG analysis of all new/foreign/unrated companies is done by SBI Funds Management's (SBI FM's) proprietary framework by financial analysts along with review by SBI FM's ESG analysts. Red flags are identified in the material ESG issues identified for companies covered by third party/proprietary ratings and active engagement is undertaken with the managements to discuss the ESG issues. Monitoring and discussions on changes in ESG ratings is undertaken every month in the ESG Review Meetings. SBI FM's Stewardship Report highlights such cases of active engagement. The report is available at: https://www.sbimf.com
- Fund Managers consider both the analyses: financial and ESG to make investment decisions
- Any over-ride/exception is discussed and deliberated upon and is approved first by the Investment committee and such decision would be duly recorded.
- c) Best-in-class/Positive screening: When selecting stocks amongst a set of companies in the same sector / class, fund managers consider the financial parameters as well as the ESG scores on the third party/proprietary framework to select the suitable stocks

The specific metrics for Best-in-class/Positive screening: ESG Scores, controversy history, best potential for improvement in ESG performance

d) Decision-making process for Investing: The Fund uses an AMFI empanelled, third-party, ESG Ratings Provider for Ratings Reports, and other research to aid decision-making process.

The ESG ratings provider (ERP) follows a sector agnostic framework and provides weightages to environmental, social and governance pillars, with governance having the highest weight in accordance with the importance provided to the factors by the ERP's methodology. Companies are scored on a scale of 1-100, where 100 is the highest. Under "E" and "S" assessment, the final score is a combination of company scores and sector scores. The company scores assess a company's material parameters within the "E" or "S" pillars in relation to its peers within a sector, whereas the sector scores indicate how the sector fares relative to other sectors on "E" or "S" parameters. Controversial incidents invite a negative scoring or deflator on the "E", "S" or "G" pillar scores. The methodology of the ERP is available here: https://www.sbimf.com/en-us/PDF/ESG Methodology.pdf

SBI Funds Management's (SBI FM's) proprietary framework is sector agnostic in construct but provides guidelines to rate parameters based on relevance to the business. Governance is the most highly weighted

pillar as SBI FM believes that well governed companies with strong leadership are able to create environmental and social positive value too. SBI FM's ESG rating framework looks at ESG risks based on business activities and the mitigation measures taken by the company to avoid/reduce the impact. This is complemented by controversy tracking and all three components help in arriving at an ESG score. The Responsible Investment Policy explains the process in detail.

Proper systemic and review controls in place to ensure ESG principles defined above are appropriately adopted and reported.

Risk Profile of the Scheme

Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific risk factors are summarized below:

SBI Magnum Equity ESG Fund will be investing in Equity and equity related instruments following Environmental, Social and Governance (ESG) criteria (including derivatives and foreign securities), Other equities and equity related instruments, units issued by REIT/InVIT, Debt instruments (including securitized debt) & Money Market Instruments

The liquidity of the scheme's investments is inherently restricted by trading volumes and settlement periods. In the event of a large number of redemption requests, or of a restructuring of the scheme's investment portfolio, these periods may become significant. In view of the same, the Trustees have the right in their sole discretion to limit redemption (including suspending redemption) under certain circumstances as described in the Section on Investors' Rights and Services.

The scheme shall be subject to risk associated with equity and equity related instruments, REITs/InVIT, debt and money market instruments, securitized debt, derivatives and repo transactions in corporate debt securities. Besides, the scheme is also subjected to risk associated with Liquidity Risk, Settlement Risk, Stock lending risk & Regulatory Risk associated with securities as detailed in the SID.

Disclosure of material risks

- a. Risk of green washing by constituent companies: Currently it is difficult to assess if the company's ESG data provided in the reports is accurate and kosher since ESG audits are not yet popular in the country. Companies may also provide different baselines, scopes and boundaries of disclosures which make comparisons difficult
- b. Risk of divergence in third-party rating providers' and SBI FM's view on ESG scores/controversies etc: All companies being initiated under the Equity universe of SBI MF undergo an ESG assessment on SBI FM's proprietary framework. There is a possibility that the assessment provided by the third-party provider and SBI FM's own assessment differs materially. In such a case, in-depth engagements are done with the rating agencies, company, other stakeholders like competitors of the company, other rating agencies, third party experts etc to formulate a clear opinion.
- c. Risk of lower performance in case value of stocks in excluded sectors goes up: If the value of companies in excluded sectors like alcohol, tobacco, adult entertainment, gambling and controversial weapons goes up, then the ESG Fund may lag the market returns.

Risk Control Strategies

Investments in Equity and equity related instruments including derivatives, debt, money market instruments carry various risks such as inability to sell securities, trading volumes and settlement periods, market risk, interest rate risk, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification and hedging.

In order to mitigate the various risks, the portfolio of the Scheme will be constructed in accordance with the investment restriction specified under the Regulations which would help in mitigating certain risks relating to investments in securities market.

Further, the AMC has necessary framework in place for risk mitigation at an enterprise level. The Risk Management division is an independent division within the organization. Internal limits are defined and judiciously monitored. Risk indicators on various parameters are computed and are monitored on a regular basis. There is a Board level Committee, the Risk Management Committee of the Board, which enables a dedicated focus on risk factors and the relevant risk mitigates.

For risk control, the following may be noted:

Liquidity risks:

The liquidity of the Scheme's investments may be inherently restricted by trading volumes, transfer procedures and settlement periods. Liquidity Risk can be partly mitigated by diversification, staggering of maturities as well as internal risk controls that lean towards purchase of liquid securities.

Interest Rate Risk:

Changes in interest rates affect the prices of bonds. If interest rates rise the prices of bonds fall and vice versa. A well-diversified portfolio may help to mitigate this risk.

Credit Risks

Credit risk shall be mitigated by investing in rated papers of the companies having the sound back ground, strong fundamentals, and quality of management and financial strength of the Company.

Volatility risks:

There is the risk of volatility in markets due to external factors like liquidity flows, changes in the business environment, economic policy etc. The scheme will manage volatility risk through diversification.

Further, the Investment Manager endeavours to invest in REITs/InvITs, where adequate due diligence and research has been performed by the Investment Manager. The Investment Manager also relies on its own research as well as third party research. This involves one-to-one meetings with the managements, attending conferences and analyst meets and also tele-conferences. The analysis will focus, amongst others, on the predictability and strength of cash flows, value of assets, capital structure, business prospects, policy environment, strength of management, responsiveness to business conditions, etc.

Disclaimer

- In cases where companies indulge in activities relating to greenwashing, the fund may not be able to detect such practices and may buy/continue to hold such companies as part of the portfolio.
- There may arise some discrepancies pertaining to publishing of non-comparable and non-standardised data that are nonfinancial in nature.
- There may arise a situation where companies with low ESG score or companies from excluded sectors may perform well and hence the Fund may deliver relatively lower investment returns.

Investment Policy

The investment policy encompasses the process followed to periodically review the investments and the strategy pursued. The objective is to generate a beneficial ESG/sustainability impact alongside a financial return and thereby an intended 'real world' outcome in qualitative terms. The investment policy can be accessed here: https://www.sbimf.com/en-us/pdf/sbi%20mf's%20responsible%20investment%20policy.pdf

Plans /Options

The scheme would have two plans viz Direct Plan & Regular Plan.

Direct Plan:

Direct Plan is only for investors who purchase /subscribe Units in a Scheme directly with the Mutual Fund or through Registered Investment Advisor (RIA) and is not available for investors who route their investments through a Distributor. All the features of the Direct Plan under Scheme like the investment objective, asset allocation pattern, investment strategy, risk factors, facilities offered, load structure etc. will be the same except for a lower expense ratio as detailed in **Section IV – Fees and Expenses – B. – Annual Recurring Expenses** of the SID. Brokerage/Commission paid to distributors will not be paid / charged under the Direct Plan. Both the plans shall have a common portfolio.

Eligible investors: All categories of investors as permitted under the Scheme Information Document of the Scheme are eligible to subscribe under Direct Plan.

Modes for applying: Investments under Direct Plan can be made through various modes offered by the Mutual Fund for investing directly with the Mutual Fund

How to apply:

Investors desirous of subscribing under Direct Plan of a Scheme will have to ensure to indicate "Direct Plan" against the Scheme name in the application form.

Investors should also indicate "Direct" in the ARN column of the application form.

Regular Plan

This Plan is for investors who wish to route their investment through any distributor.

The default plan in following cases will be:

Scenario	Broker Code mentioned by	Plan mentioned by the	Default Plan to be
	the investor	investor	captured
1	Not mentioned	Not mentioned	Direct Plan
2	Not mentioned	Direct	Direct Plan
3	Not mentioned	Regular	Direct Plan
4	Mentioned	Direct	Direct Plan
5	Direct	Not Mentioned	Direct Plan
6	Direct	Regular	Direct Plan
7	Mentioned	Regular	Regular Plan
8	Mentioned	Not Mentioned	Regular Plan

In cases of wrong/ invalid/ incomplete ARN codes mentioned on the application form, the application shall be processed under Regular Plan. The AMC shall contact and obtain the correct ARN code within 30 calendar days of the receipt of the application form from the investor/ distributor. In case, the correct code is not received within 30 calendar days, the AMC shall reprocess the transaction under Direct Plan from the date of application without any exit load.

Options

Both plans will have growth and Income Distribution cum capital withdrawal (IDCW) option. Under the IDCW option, facility for Payout of Income Distribution cum capital withdrawal option (IDCW Payout), Reinvestment of Income Distribution cum capital withdrawal option (IDCW Re-investment) & Transfer of Income Distribution cum capital withdrawal plan (IDCW Transfer) is available. Between "Growth" or "IDCW" option, the default will be treated as "Growth". IDCW option will have IDCW Reinvestment, IDCW Payout and IDCW Transfer facilities. Between "IDCW Reinvestment", "IDCW Payout" or "IDCW Transfer", the default will be treated as IDCW Payout.

Investor can select only one option either IDCW pay out or IDCW reinvestment in IDCW plan at a Scheme and folio level. Any subsequent request for change in IDCW option viz. IDCW Payout to IDCW Reinvestment or viceversa would be processed at the Folio / Scheme level and not at individual transaction level. Accordingly, any change in IDCW option (IDCW payout /IDCW reinvestment) will reflect for all the units held under the scheme / folio.

management company, but including the investment management and advisory fee shall be within the limits stated in Regulations 52 read with SEBI circular no. CIR/IMD/DF/21/2012 dated September 13, 2012. The AMC may charge the investment and advisory fees within the limits of total expenses prescribed under Regulation 52 of the SEBI (Mutual Funds) Regulations.

Pursuant to SEBI Circular No. SEBI /HO/IMD/DF2/CIR/P/2018/15 dated February 02, 2018, additional expenses under regulation 52 (6A) (c) shall not be levied if the scheme doesn't have exit load.

Any other expenses which are directly attributable to the Scheme, may be charged with the approval of the Trustee within the overall limits as specified in the Regulations except those expenses which are specifically prohibited.

These estimates have been made in good faith as per the information available to the Investment Manager based on past experience and are subject to change inter-se. Types of expenses charged shall be as per the SEBI (MF) Regulations. Pursuant to SEBI Notification dated December 13, 2018, the maximum total expenses of the scheme under Regulation 52(6)(c) shall be subject to following limits:

Assets under management Slab (in Rs Crores)	Total expense ratio limits
On the first Rs 500 crores of the daily net assets	2.25%
On the next Rs 250 crores of the daily net assets	2.00%
On the next Rs 1,250 crores of the daily net assets	1.75%
On the next Rs 3,000 crores of the daily net assets	1.60%
On the next Rs 5,000 crores of the daily net assets	1.50%
On the next Rs 40,000 crores of the daily net assets	Total expense ratio reduction of 0.05% for every increase of Rs 5000 crores of daily net assets or part thereof.
On balance of the assets	1.05%

The scheme may charge additional expenses incurred towards different heads mentioned under regulations (2) and (4), not exceeding 0.05% of the daily net assets.

In addition to expenses as permissible under Regulation 52 (6) (c), the AMC may charge the following additional costs or expenses to the scheme:

- 1. The Goods & service tax on investment management and advisory fees would be charged in addition to above limit.
- 2. Brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment, not exceeding 0.12 per cent in case of cash market transactions and 0.05 percent for derivative transaction. Further, In terms of SEBI circular CIR/IMD/DF/24/2012 dated November 19, 2012, It is clarified that the brokerage and transaction cost incurred for the purpose of execution of trade may be capitalized to the extent of 12bps and 5bps for cash market transactions and derivatives transactions respectively. Any payment towards brokerage and transaction cost, over and above the said 12 bps and 5bps for cash market transactions and derivatives transactions respectively may be charged to the scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under regulation 52 of the SEBI (Mutual Funds) Regulations, 1996. Goods & service tax on brokerage and transaction cost paid for execution of trade, if any, shall be within the limit prescribed under regulation 52 of the Regulations.
- 3. In terms of Regulation 52 (6A) (b), expenses not exceeding of 0.30 per cent of daily net assets will be charged, if the new inflows from such cities as specified from time to time are at least –
- 30 percent of gross new inflows in the scheme, or;
- 15 percent of the average assets under management (year to date) of the scheme, whichever is higher:

Provided that if inflows from such cities is less than the higher of sub-clause (i) or sub- clause (ii), such expenses on daily net assets of the scheme shall be charged on proportionate basis: Provided further that expenses charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from such cities: Provided further that amount incurred as expense on account of inflows from such cities shall be credited back to the scheme in case the said inflows are redeemed within a period of one year from the date of investment. 4. Further, GST on expenses other than investment and advisory fees shall be borne by the Scheme within the maximum limit of annual recurring expenses as prescribed in Regulation 52. Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc., vis-à-vis the Regular Plan and no commission shall be paid from Direct Plan. Both the plans i.e. Direct & Regular shall have common portfolio. However, Regular Plan and Direct Plan shall have different NAVs. For investor education and awareness initiative, the AMC or the Schemes of the Fund will annually set apart at least 0.02 percent of daily net asset of the Schemes of the Fund within the maximum limit of the total expense ratio as per SEBI Regulation. The Mutual Fund would update the current expense ratios on its website within three working days mentioning the effective date of the change. Investors can refer https://www.sbimf.com/en-us/disclosure/total-expenseratio-of-mutual-fund-schemes for Total Expense Ratio (TER) details. The additional TER in terms of Regulation 52(6A)(b) of SEBI (Mutual Funds) Regulations, 1996 shall be charged based on inflows from Retail Investors from beyond top 30 cities (B-30 cities). Appointment of MFCentral as Official Point of Acceptance

Pursuant to SEBI circular no SEBI/HO/IMD/IMD- II DOF3/P/CIR/2021/604 dated July 26, 2021, to comply with the requirements of RTA inter-operable Platform for enhancing investors' experience in Mutual Fund transactions / service requests, the Qualified RTA's (QRTA's), KFin Technologies Limited (KFintech) and Computer Age Management Services Limited (CAMS) have jointly developed MFCentral – A digital platform for Mutual Fund investors.

MFCentral is created with an intent to be a one stop portal / mobile app for all Mutual fund investments and service-related needs of investors that significantly reduces the need for submission of physical documents by enabling various digital / phygital (involving both physical and digital processing) services to Mutual fund investors across fund houses subject to applicable Terms & Conditions of the Platform. MFCentral will be enabling various features and services in a phased manner. MFCentral may be accessed using https://mfcentral.com/ and a Mobile App in future.

With a view to comply with all provisions of the aforesaid circular and to increase digital penetration of Mutual funds, SBI Mutual Fund designates MFCentral as its Official Point of Acceptance (DISC – Designated Investor Service Centre).

Any registered user of MFCentral, requiring submission of physical document as per the requirements of MFCentral, may do so at any of the DISC or collection centres of KFintech or CAMS.
