******* Accounting policy for valuation of investments of all SBI MF schemes is as under:**

• Valuation for Performing Investments:

i. For the purpose of the financial statements, the Fund marks all investments to market and carries investments in the Balance Sheet at the market value. Unrealised gain, if any, arising out of appreciation of the investments, is carried to the Balance Sheet and unrealised depreciation, if any, arising out of depreciation on the investments, is debited to Revenue account.

ii. Securities other than Central Government Securities, which have been traded during the period of thirty days prior to the balance sheet date in case of Equity shares or on the balance sheet date in case of debt securities, are stated at the closing prices quoted on the stock exchange where the securities are principally traded on the balance sheet date or the last trading day before the balance sheet date as may be applicable.

iii. Thinly traded/Non-traded/ Unlisted shares are valued in good faith by the Asset Management Company in accordance with guidelines issued by the Securities and Exchange Board of India (SEBI).

iv. Thinly traded/ Non-traded Non-Government Debt Securities of upto 182 days of maturity are valued on the basis of amortisation (Cost plus accrued interest basis) as prescribed by SEBI.

v. Thinly traded/ Non-traded Non-Government Debt Securities of over 182 days to maturity are valued in good faith in accordance with SEBI guidelines. The valuation of non-traded debt securities is on comparative yield to maturity basis; wherein the benchmark yields as provided by an independent agency approved by Association of Mutual Funds in India (AMFI) is used.

vi. Traded/ Thinly traded/ Non-traded Central Government securities are valued based on prices released by an independent agency approved by AMFI.

vii. Discount or premium on the redemption value in respect of short term fixed income instruments are amortised on a straight line basis over the remaining period to redemption.

viii. In case of futures contract, the Profit/Loss on outstanding contracts on the balance sheet date is recognised for 'Net Change in Marked to Market value of Investments' on the basis of marked to market. The said profit/ loss are treated as an unrealized amount.

- An investment is regarded as non-performing, if interest/principal amount has not been received or has remained outstanding for one quarter from the day such income/instalment has fallen due.

- In accordance with the Guidance Note on Accounting for Investments in the Financial statements of Mutual Funds issued by the Institute of Chartered Accountants of India (pursuant to the Eleventh Schedule of the SEBI (Mutual Funds) Regulations 1996), net unrealised appreciation or depreciation in value of investments is determined separately for each category of investment and the resultant depreciation category wise, if any, is debited to Revenue Account and the resultant appreciation category wise, if any, is credited to Unrealised Appreciation Reserve. Further, the change in net depreciation, if any, is recognised in the Revenue Account and the change in net appreciation, if any, is adjusted in Unrealised Appreciation Reserve.
